

# Why use cloud storage?

## Store Every File

Upload or save files to OneDrive or Google Drive. Access files from anywhere.

## 24/7 easy access

Access files from any device with an internet connection.

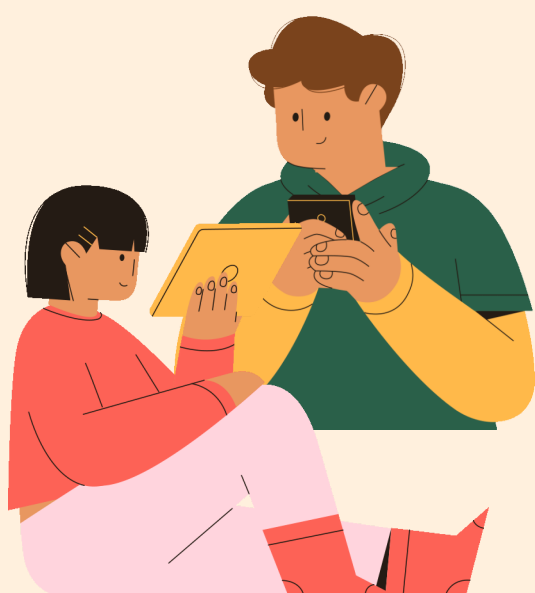

## Stay Organised

Everything is saved in the one place. Use folders to keep your work organised.

## Collaborate

Easily share files with your teacher and fellow students. "Two heads are better than one"

## Be Creative

Choose the best tool for the job. Explore apps such as Jamboard or Sway to make your presentations pop.
