

Get started with Office 365 for free

All students in NSW Public Schools can access Microsoft Office 365 free of charge through the student portal, including online versions of Word, Excel, PowerPoint, etc. The desktop version of Microsoft Office Suite can also be downloaded onto students' personal computers.

To install the full version of Microsoft Office on a home or BYOD computer

- log onto the student portal at <https://portal.det.nsw.edu.au/>
- click on Microsoft Office 365

- On the next page click install office, choose Office 365 apps from the drop down menu and follow the prompts.
